Elf: Elf and the City Leslie Goldman

This chapter book based on the movie Elf tells the story of the 6'2" tall elf Buddy and his adventures in the big city! When Buddy leaves the North Pole in search of his biological father, a disillusioned children's book publisher in Manhattan, goofy mishaps abound! With the help of some new friends, Buddy injects the spirit of Christmas back into his father! Illustrated with full- color captured images and featuring action-packed short chapters and simple text, this story is just right for newly-independent readers not quite ready for a full novelization of the movie.
