Rush - Complete Series Lucia Jordan

Here, presented in one volume, are the four stories that comprise the 'Rush' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion with searing depictions of sex and emotion.

Kendra is a bundle of nerves when she walks into the office of Sebastian Montoya. To say his reputation precedes him is be a gross understatement. Immediately she sees that the larger than life architect has an even bigger ego. The mystery that surrounds him is hypnotizing. There is just something about him that draws her in. He oozes sexuality and his lilting Spanish accent makes her insides flutter. But as she learns, architecture isn't his only talent. A hot and steamy night at work leads to far more than she could ever expect. But does Kendra have what it takes to deal with the pressures that come with her day job while allowing Sebastian to handle her at night?

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
