For readers who like historical fiction with a little romance. Wickedly inviting, the dark side of life has always seduced Lauren De Beauville. With copper-colored tresses and the smile of a pirate this young adventuress throws caution to the wind and leaps into a quagmire of temptation that is 18th Century New York. Will she survive her constant craving for danger?

Dazzled by glamour, Lauren plays a deadly game joining a group of brutal con artists and smugglers who are cheating their way across the New World. There are splendid gowns, handsome men and nights filled with passion. What more could she want? At the very top is James St. Clare, the ruthless yet alluring captain of a ship called The Pride of the King. Risking her life and her love, Lauren allows herself to be swept into his whirlwind of desire and treachery where she risks everything.

Once again, author Amanda Hughes splashes the pages of history with gritty adventure and love stories about audacious women in the 18th and 19th Century. Her page turning tales will keep you on the edge of your seat as you take wild rides through dramatic and dazzling periods of history.
