## **The Supreme Identity** Alan W. Watts

Modern Civilization, Watts maintains, is in a state of chaos because its spiritual leadership has lost effective knowledge of man's true nature. Neither philosophy nor religion today gives us the consciousness that at the deepest center of our being exists an eternal reality, which in the West is called God. Yet only from this realization come the serenity and spiritual power necessary for a stable and creative society.

One of the most influential of Alan Watts's early works, *The Supreme Identity* examines the reality of civilization's deteriorated spiritual state and offers solutions through a rigorous theological discussion on Eastern metaphysic and the Christian religion. By examining the minute details of theological issues, Watts challenges readers to reassess the essences of religions that before seemed so familiar and to perceive Vedantic "oneness" as a meeting ground of all things – "good" and "evil." In addressing how religious institutions fail to provide the wisdom or power necessary to cope with the modern condition, Watts confidently seeks the truth of the human existence and the divine continuum.

In this eye-opening account of "metaphysical blindness" in the West, Watts accents this dense exploration of religious philosophy with wry wit that will engage inquiring minds in search of spiritual power and wisdom.

#### **Kevin Dobson:**

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Supreme Identity can make you experience more interested to read.
