“I Have a Wish That Only Children Can Make Come True” is a story selected from a collection of seven children’s stories titled “SAVE ME Kids”. This is a story about the friendship between a little girl and a small bird. One day when the bird is wounded by a hunter, the girl tries to save it and return it to nature. Through this story, kids are inspired and encouraged to be compassionate toward animals, to protect animals, and to respect living beings’ rights. Because of the author’s background as a filmmaker and as an artist, this story is visually appealing to a child’s imagination. Reading this story is like watching animations or movies, satisfying a child’s imagination while provoking the child’s sense of curiosity and quest for fairness in the world at the same time.
