Journey Through the World of Spirit: God, Gaia, and Guardian Angels David L. Oakford

Journey Through The World of Spirit: God, Gaia, and Guardian Angels is the detailed near-death experience of David Oakford. Triggered initially by a fatal drug overdose, David became bewildered then frightened to find that we do not "die." But instinctively he knew to pray to God and was soon rescued by a wise guardian angel he calls "Bob." Specifically, David shares what he was shown concerning the life-after-death realms: heavens, light beings, dark souls, the life-force energy dynamics of our planet and its inhabitants, and the lessons-learned from a panel of evaluators. This clearly-written, plain-talking account of the life, death, and rebirth cycle provides much food for thought for all leaders and members of the world's major religions to contemplate. The single truth that shines through this old, old story is this one realization: Love is the answer to life's questions when all is said and done.
