Raiders of the Lost Bark (The Pampered Pets Mysteries) Sparkle Abbey

Mel's enemy may be barking up the wrong tree . . .

But someone is about to become a killer.

Melinda Langston, amateur sleuth and Bow Wow Boutique owner, finds herself "Glamping Under the Stars" with a blackmailer, Orange County's hottest new gourmet pet chef, Addison Rae. But before Mel can put an end to Addison's strong-arming, the chef is found dead. Mel is just one of many suspects who had motive to snuff out the demanding chef.

Was it Redmond, the angry sous chef who detested working for Addison? What about rival chef, Pepper Maddox? The glamping chef gig was hers until Addison blackmailed her way into the job. And then there's Asher, a charming fellow camper whose past relationship with Addison isn't the only secret he's guarding. Mel's not one to tuck tail and run, even when it looks like she may be the next victim.

Sparkle Abbey is the pseudonym of two mystery authors (Mary Lee Woods and Anita Carter). They are friends and neighbors as well as co-writers of the Pampered Pets Mystery Series. The pen name was created by combining the names of their rescue pets--Sparkle (Mary Lee's cat) and Abbey (Anita's dog). They reside in central Iowa, but if they could write anywhere, you would find them on the beach with their laptops and, depending on the time of day, with either an iced tea or a margarita. Visit them at sparkleabbey.com.
