What makes the German language interesting and fun is the fact that it's a colorful language. For example, they are fond of forming long words such as "Rindfleischetikettierungüberwachungsaufgabenübertragungsgesetz" which means "the delegation of the law" and also "Rechtsschutzversicherungsgesellschaften" which means "legal protection of companies". You see, the language may be a bit confusing but it's unique—and that'll make you want to learn it all the more.
