Siblings Katie and her little brother Kyle learn about personal safety, private parts, and “thumbs up & thumbs down” touches by talking with their mom in a loving and easy-to-understand manner. With an empowering dialog that is never fearful, parents can use this book to begin this important discussion with their children. Katie and Kyle’s mom also explains the essential “No Secrets” rule in their family, and that it is never their fault if they get an “uh-oh feeling” from anyone.

The story is written with a positive and engaging approach using child-friendly language and charming illustrations. A “**Parent's Guide with Prevention Tips**” is also included to help parents understand their role in keeping children safe from sexual abuse. By learning how to interpret red flags and how to recognize possible grooming scenarios, parents can significantly reduce the risks and keep their children safe from predators.

“**No Trespassing - This Is MY Body!**” comes highly recommended by pediatricians, teachers and parents as a valuable tool in the fight against childhood sexual abuse.
