Tampa Bay Beer: (American Palate) Mark DeNote

More than thirty breweries currently call the Tampa Bay area home. With a history that spans a century, the brewing industry has experienced highs and lows. The end of Prohibition allowed more to join in on the brewers art. Anheuser-Buschs emergence as a powerhouse caused a decades-long lull in craft brewing beginning in the 1960s. From the ceremonial brewing vessels of native peoples to the sleek brewhouses of modern craft brewers, the Bay area is a shining example of the developing trade. Author Mark DeNote recaps the sudsy history of beer makers in the Big Guava.
