**I see you** Ker Dukey, D.H Sidebottom

This is a DARK novel, 18 only. Standalone title. I watch you, I see you in ways no one else can, and through my lens I create a life of you for someone to dissect. I capture you in your vulnerability; that smile, your laugh, those tears. I document you and sell your secrets. When I watch you through my lens you're mine until I pass you to the buyer. I, like most people, have a fetish for pretty things and in my job I get to be around a lot of pretty things. They pay me to watch them and capture them in a frame for many purposes, and sometimes I like my profession a little more than I should. I took a job to capture her... I wanted to capture and keep her in more than just the image. This time I will take myself away from the lens and become the client because I cannot resist her, she reminds me too much of my first, I need to have her. Traumatized from a vicious attack, Nina Drake finds herself shut off from the world until her neighbour brings her out of more than just her nightmares. Even after moving and changing her name, she still can't shake the feeling of being watched. The memories are so close. And so is the shadow of the creator of them all
