If you've always loved the taste of fresh fruit and you've thought about growing your own, then 'Indoor Gardening' will give you all the tips you need.

Not everyone has a garden, which means it can seem impossible to grow a wide variety of fruits. The good news is that it can be done, and it doesn't take too much work. This book will show you how to grow a wide variety of fruit so that you have the pleasure of picking and eating it fresh from the tree.

If you're a first time gardener and you want to grow your own fruit, let this book guide you through the basics. Enjoy eating delicious fresh fruit that you grew and save money on expensive, less tasty fruit that's sold in grocery stores across the country.

This book will also teach you how to:

- Grow bananas as well as guiding you through a process which will ensure you always have bananas growing in your home.
- Plant a pineapple crown, so you can enjoy a tasty home grown pineapple in 2 years
- Learn how the fruit you grow indoors is beneficial to your health
- And so much more!
