Visual Culture Studies: Interviews with Key Thinkers

Visual Culture Studies presents 13 engaging and detailed interviews with some of the most influential intellectuals working today on the objects, subjects, media, and environments of visual culture. Exploring historical and theoretical questions of vision, the visual, and visibility, this collection reveals the provocative insights of these thinkers, as they have contributed in exhilarating ways to disturbing the parameters of more traditional areas of study across the arts, humanities, and social sciences. In so doing they have key roles in establishing visual culture studies as a significant field of inquiry. Each interview draws out the interests and commitments of the interviewee to critically interrogate the past, present, and future possibilities of visual culture studies and visual culture itself.
